

2006 CABERNET SAUVIGNON

This wine is a pleasure to drink having had time in bottle to develop and soften youthful tannins. Alluring notes of mulberry and bay leaf on the nose are followed by similar flavours on the palate, coupled with bitter chocolate, star anise and fine French oak overtones. Well integrated wood and supple tannins round a finely structured palate, finessed by innate acidity and excellent persistence.

DRY GROWN : HAND PICKED

WINEMAKERS: JOHN AND BELINDA THOMSON
