

## **2008 CABERNET MERLOT**

Generous overtones of ripe blackberries, mulberries and sweet red fruits are the leading aspects of this wine. Together with undertones of allspice and bay leaf, the palate begins with plenty of this fruit coupled with notes of dark, rich chocolate. Fine, powdery tannins are found throughout, complementing the fruit and adding complexity, while refined wood integration makes for an approachable, supple palate.

Terrific persistence and finely balanced natural acidity make this delicious drinking which rewards some time in the glass after opening.

DRY GROWN : HAND PICKED

WINEMAKERS: JOHN AND BELINDA THOMSON
