

## 2012 YOUNG VINES RIESLING

Fine and intensely mineral, this youthful wine exudes pink grapefruit and citrus flowers on the nose. The soft, textural palate is well-rounded, even and balanced, with white nectarine and loquat fruit characters spiked with hints of quince and lime peel, seamlessly interwoven with a fine chalkiness and innate, linear acidity. River Riesling, this complex wine from our 12 year old vines has a long way to go yet and will reward some breathing space before drinking. Screwcap.

DRY GROWN : HAND PICKED
